

Gate Security

The following are policy/guidelines for management of the gates at the Shores:

- There shall be one gate code for the entire community.
- The code shall be changed once a year on January 10.
- As of 2018 gate cards are no longer being issued.
- Members may purchase a remote transmitter for \$30.00. They are available from Doris Morin our community manager. The transmitters operate all three gates.
- Members hosting an approved event at their home may request that the gates be opened on a given day for a defined period of time.

Access for outside organizations:

- Police and Fire have their own permanent access into the Shores
- The following entities are provided the annual gate code by the Shores
 - Cable One
 - Frontier Communications
 - Arizona Water Company
 - Navopache Electric
 - Unisource
 - Waste Management
 - Larsen Waste
 - Graves Propane
 - Pinetop-Lakeside Sanitary District
 - School districts/buses
 - FedEx
 - UPS
 - Ramon's Landscaping
- *For all other entities (landscapers, contractors, handyman, etc.) it is the responsibility of the home owner to provide the gate code to them.*
